

## CPCCOHS1001A Work Safely in the Construction Industry

### Overview

This course is an induction program designed to provide new and existing building and construction industry participants with introductory knowledge and understanding necessary to commence or continue work in the building and construction industry.

*This course must be completed BEFORE entering a building and construction work site.*

### Target Audience

- New and existing workers to the building and construction industry

### Entry Requirements

There are no restrictions on entry to this course, however it is preferred that students have at least an intermediate level of numeracy, literacy and communication skills.

### Delivery

This course is delivered and assessed over a period of eight (8) hours in a classroom environment. *N.B. Course duration depends on the class size.*

### Units of Competency

There is one (1) unit of competency associated with this course:

- CPCCOHS1001A Work Safely in the Construction Industry

### Outcomes

It is expected that participants should acquire knowledge, skill and understanding of the following areas:

- OH&S legislative requirements
- Construction hazards and control measures
- OH&S communication and reporting processes
- OH&S incident response procedures

Upon successful completion of this course participants will receive a Statement of Attainment.

### Assessment Requirements

Participants will be required to successfully complete a written assessment to demonstrate their competency against the requirements of this course.

## **Recognition of Prior Learning (RPL) / Credit Transfer**

Prospective participants may be eligible to receive RPL or credit transfer depending on whether they have any previous industry experience or hold existing qualifications. Applicants should speak with CSTC at the time of enrolment to discuss these options further.

## **How to Enrol**

Interested applicants should download a copy of the New Student Application Form from our website and submit it with payment to their local CSTC office. Payment options are provided on the reverse side of the application form, and course prices listed below are subject to change without notice.

## **Course Dates & Fees**

Dates and fees associated with this course are provided separately on the Course Dates Brochure specific to each training location. These brochures can be downloaded from our website.

## **Refund Policy**

The Refund Policy confirms that refunds are provided (as appropriate) within an acceptable time frame. In all instances, a full refund of enrolment fees will be made to the payer if training is cancelled by CSTC for any reason. Please refer to CSTC's website for further information regarding refunds and cancellations.

## **Additional Information**

Participants must provide one (1) form of suitable photo identification (eg: driver's licence, 18+ card, passport or student ID card etc);

OR

Two (2) forms of other identification (eg: Medicare card, bank / credit card, birth certificate, immigration, citizenship or naturalisation certificates etc).
