

BCC30307 Certificate III in Civil Construction (Bridge Construction & Maintenance)

Qualification Overview

Trainees will be given the opportunity to learn an array of specialist practical skills and knowledge relevant to bridge construction (and the maintenance thereof) in the civil construction industry. Depending on the units selected trainees may experience training across areas including the construction of bridges for rail, road and other services. Trainees will learn how to operate a wide range of equipment and will gain the knowledge and skills for supervising activities in this area.

Upon successful completion of this traineeship students will receive qualification BCC30307 Certificate III in Civil Construction (Bridge Construction & Maintenance).

Duration

This traineeship can be delivered full-time over three (3) years OR part-time over six (6) years as a school-based traineeship.

Entry Requirements

To be eligible to apply for this traineeship applicants must:

- Have completed Year 10 and be at least 15 years of age; and
- Be employed by an employer who works within their chosen vocational area of the building and construction industry.

Delivery

This traineeship is delivered via a combination of several on and off the job training opportunities. A training plan and contract detailing the training dates and associated units of competency will be provided at the time of sign-up.

Recognition of Prior Learning (RPL) / Credit Transfer

Prospective trainees may be eligible to receive RPL or credit transfer depending on whether they have any previous industry experience or hold existing qualifications. Applicants should speak with CSTC at the time of sign-up to discuss these options further.

Fees & Charges

Current fees and charges associated with this traineeship will be provided to prospective trainees and their employers upon their initial enquiry. User Choice funding and various other government funding incentives are also available to eligible applicants.

Refund Policy

The Refund Policy confirms that refunds are provided (as appropriate) within an acceptable time frame. In all instances, a full refund of enrolment fees will be made to the payer if training is cancelled by CSTC for any reason. Please refer to CSTC's website for further information regarding refunds and cancellations.
